

2nd District Four State Ride July 9-11 2010 ~ *St. Joseph Mo*

Greetings to my fellow riders of the 2nd District IAFF MG. Riding season is upon us, and I for one am still finishing that always needed winter bike work. One of our District's rides is hopefully going to be a great opportunity for all of us to meet mid summer and enjoy a small slice of all 4 states that compose the great 2nd District.

Our weekends' events will be based out of St Joseph Missouri, home of the Pony Express. We will have a reception on Friday night for all riders who participate in the weekend ride. Saturdays' ride for those who choose to participate, will encompass roughly 240 miles and lead us through some great riding areas of Missouri, Iowa, Nebraska, and Kansas. Upon our arrival back to St. Jo we will have our evening entertainment at Tuck's Biker Bar in "the Belt" for food, drink and dancing to some great music, just a few blocks away. Sunday (breakfast of coffee and finger food provided) will signify our conclusion of the weekend festivities and safe travels to all members who joined in our weekend of riding, fun and plain old partying to let loose and relax however each sees fit!

Our host hotel is the Comfort Suites, 917 Woodbine Road, St. Joseph, MO 64506 [(816) 232-6557]. Contact info below. Mention the IAFF MG for a discounted rate.

If anyone has questions please feel free to contact your State Coordinators or me for further information. Please email me at tim.herbig@gmail.com with number of persons in your party, so that we can have an idea of the number of those attending.
