

Vacation picks are coming up. Mark your calendars for the second weekend in July 10th and 11th and meet us in Republic, Washington for the 2nd Annual Northwest Firefighter Bike Rally and Street Dance. **YOU DO NOT HAVE TO RIDE A MOTORCYCLE TO ATTEND.** Bring your RV, your tent, your fishin pole, your hiking boots and your dancing shoes.

Last July we shut down Main Street, put a stage in the middle of the street and danced until 11:00pm in our shorts and t-shirts. The Michael Kahler Band will be back as the feature band. Michael Kahler has opened for bands such as Alvin Lee and the Doobie Brothers.

Next year, along with more bands we will have a beer garden, raffle prizes, Firefighter breakfast and vendors in the park. All money earned from this event will go to benefit the town of Republic.

Log on to the BFCFSF website at www.bellevuefirefoundation.com throughout the year for updates, directions, hotel and campground reservations etc.
