

2nd District IAFF Motorcycle Group

Pledge per mile Charity Ride for Multiple Sclerosis

June 6-7 2009

Welcome to all my fellow brothers and sisters to the 1st annual Ride to benefit Multiple Sclerosis.

This ride will hopefully raise money to donate to the research of a disease that affects many of us and our families. This ride originated from a group of members in Lake Area Firefighters Local 3987, in mid Missouri. This ride will be a pledge per mile ride, with a route roughly over 1000 miles. The ride will take place on the weekend of June 6-7 2009, with the possibility of a start on the June 5th, dependant on interest. On the following pages you will find the route we will follow and meet our fellow brothers and sisters throughout the 2nd District. The ride will encompass all of the states that compose the 2nd district. As riders we also will have the opportunity to strengthen our bond as brothers and sisters not only within our great union but as riders as well.

The route has as little Interstate as possible for safety. It will keep to the smaller thoroughfares that have good riding roads and scenery for us to take in as we do what we love. Ride and help others as we do in our chosen profession.

Pledge forms will be available shortly. Checks should be made payable to the "MS Society".

If you have any questions please contact myself, or appropriate State Coordinator.

Ride Safe ~ Tim
