

IAFFMG 4th District 2010 Rides
4th District Ride to the IAFF Memorial in Colorado Springs, CO

Members from the 4th District are planning a ride out to the IAFF Memorial in Colorado Springs from September 5th thru the 15th. Any active or retired member from any District heading out that way is welcome to join us.

The ride is still in the planning stage but here is what we are considering at this point: Leaving from Hagerstown, MD and taking I-81 South to I-40 West thru Albuquerque, NM. Then we will turn north up towards Telluride, CO and spend a day there. From that point we will head north and cross over the Rockies and head into Colorado Springs. We hope to include a stop in Memphis to visit Beale Street and Oklahoma City to visit the Murrah Building Memorial on our way out.

On September 11th we will ride with members of "Wind and Fire" and participate in the "Ride to Remember" in to the Memorial Park.

The return trip will be along I-70 into St. Louis where we can take a ride up in the Arch. Then we will take I-64 East thru Charleston, WV where we will turn north on I-79 and then take I-68 and rejoin I-70 and then home.

We hope to have a trouble truck to follow us out and back with a 4 bike trailer. If you would like to be included in any updates then e-mail me at jbeek2@msn.com.

Ride Safe ~ Jim
