Sarah was diagnosed with breast cancer on October 9, 2007. At the time she was also 36 ½ weeks pregnant with twins. Twelve hours after her diagnosis the twins were born making a family of seven. While it wasn't easy, Sarah fought through the many challenges and treatments that cancer brings and beat the odds returning to work in January 2009. Just over a year later Sarah developed a pain in her hip which was discovered to be cancer. Sarah, her husband Matt, and their 5 children and extended family are faced with the fight against cancer once again.

Sarah's fight is ongoing and we want to remove the financial strains that come with the battle. Sarah's Ride is being hosted in an attempt to raise funds to assist Sarah and her family to help them during this challenging time.

Date: September 11th, 2010

[Click Here](#) to register on-line. **On-Site Registration:** On-Site Check-in and registration will start at 0800 at Seacoast Harley Davidson. If you do not pre-register for the ride, you will be able to do so the day of the ride. However, it's requested that all riders and passengers [register on-line](#) in order to assist in the planning of the ride and ensuring that everyone has a great time.

The Ride: The ride will start and end at Seacoast Harley-Davidson. New Hampshire, is a treasure trove of great scenic motorcycle rides. The Granite State lives up to it's name as being rocky, and is also generally hilly (home to the highest peak in the northeastern US, Mt. Washington, at 6,288 ft), densely wooded, boasts 1,300 lakes and ponds, and is blessed with a small but beautiful 13 miles of Atlantic coastline. Our ride will no doubt hit some of the highlights of the Seacoast and surrounding area.

Motorcycle Rentals: [\[Click Here\]](#) or Call Seacoast HD [603] 964-9959 and ask for Chris, Greg or Mike.
